

HEALTH & SAFETY POLICY STATEMENT

Maher Limited regards the management and promotion of Health & Safety as essential objectives, to protect our employees and anyone who may be affected by our business and to prevent accidents and cases of work-related ill health. To achieve these objectives the Company shall:

1. Comply with and where practicable exceed the requirements of all applicable Health and Safety legislation.
2. Provide and maintain a safe working environment for on-site and remote working processes.
3. Provide and maintain safe plant and equipment.
4. Assess all risks to Health and Safety and minimise the risks so far as is reasonably practicable.
5. Provide personal protective equipment.
6. Investigate all accidents and incidents and take appropriate action to prevent recurrence.
7. Provide information and training as applicable.
8. Communicate with employees on all matters regarding Health and Safety.
9. Regularly review our Health and Safety performance.
10. Benchmark the organisation to ensure continued improvement of the system using the British Safety Council as an external review body.
11. Review of Health and Safety systems, at least annually.
